Wellesley Island Grown Cross Island Farms Certified Organic

PASTURED PORK

Now Available by the Cut, Half, or Whole

- 100% Certified Organic (by NOFA-NY)
- Raised outdoors on pasture
- Chemical & hormone free
- Unsurpassed flavor
- Healthier for you and your family
- Local, Wellesley Island born & raised

Sold by the whole or half pig. The pigs should be between 200 and 250 pounds at butchering.

You are purchasing a live animal (whole or half pig) to be slaughtered this spring for processing. You pay us **\$3.50/lb.**, based on live weight, with a minimum down payment of \$100.00 per half or \$200.00 per whole required to reserve your pig. Regular payments are required as the pigs grow. You pay the butcher the processing charges which will vary, depending on the hanging weight, your cutting orders, and how much you want smoked.

Organically Raised, USDA-Inspected cuts & small roaster pigs available at the farm

We expect a February litter for feeder pigs.
