

# Tour the Enchanted Edible Forest

[www.enchantededibleforest.com](http://www.enchantededibleforest.com)

## Learn from an Expert

Take a guided tour of a sustainable edible perennial garden where nature does most of the work.

## Use All Your Senses

See, smell, and taste edible berries, herbs, flowers, and perennial vegetables in season.

## Become Enchanted

Experience the ambiance and abundance of a garden modeled after nature.

## Get Inspired

Learn how to landscape your own property with aesthetically-pleasing, food-producing plants.
